

## Happy Holidays from the Gaal family!

*Clockwise from top: Ubiquitous Christmas picture; Logan at Pullen Park; Logan and Bri at his Christmas pageant; Tassie, Marty and Logan watching Cars: The Movie.*

We had another great year here in Cary, North Carolina. We played, laughed, cried and loved and changed a ton of diapers. Brianne and Marty kept up the triathlon racing through the summer. Bri landed a new job in November. Tassie ate some newspapers. Marty discovered Doctor Who on the Kindle and Logan turned 2 in December.

Our favorite TV show is Elmo's World and our favorite words are: No, Mine, and Uno Mas.

We hope you have a wonderful Christmas season and wish you a great New Year!
